Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Saturday 14 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry start, light rain possible later.

Today:
A cloudy but dry start across the region, feeling breezy at times. Generally staying fine although some very light rain possible towards the end of the day, most likely towards the west. Maximum temperature 22 deg C (72 deg F).

Tonight:
Winds easing early in the evening but remaining cloudy with outbreaks of rain developing across the north. Mostly dry with clear skies at times in the south. Feeling mild. Minimum temperature 15 deg C (59 deg F).

Sunday:
A cloudy start with showers developing during the morning. Drier in the afternoon with some brief sunny spells, turning cloudy again overnight. Maximum temperature 23 deg C (73 deg F).

Outlook for Monday to Wednesday:
Sunny and breezy Monday, some showers further west. Cloudy on Tuesday but mostly dry, however rain spreading across the region on Wednesday.
